

East Fan 52inch Three Blade Indoor DC Ceiling Fan with light item EF52131

Wood Finish with Remote Control

General Description

The **ceiling fans with lights** are the perfect combination of lights and ceiling fans, also the perfect embodiment of classic and modern styles, home essential for its both decorative and practicality.

This **energy saving ceiling fan** with size 52 inch is suitable for room space around 15~22m2, widely used as **living room ceiling fans** and **bedroom ceiling fans etc.**

It features a **wood** finish, **quality plastic** blades, and light fixture with **white glass lampshade**, relies on a silicon steel DC motor to provide soft wind, quiet circulation. It also features three fan speeds and a reversible switch for customized comfort. Run the ceiling fan counterclockwise to stay cool in the summer, or run it clockwise to recirculate warm air in the winter and eliminate cold spots. This **ceiling fan and light** is controlled by remote control.

Main parts included

52" Ceiling FAN, **DC** Motor, **Three quality plastic** Blades, LED 20W, remote control
