

Model No.:NT630

Product Name:Economical coated nylon taffeta label cloth/tape

Feature:

- 1.Cost effective label for printing,it's a hot cake.
- 2.nylon fabric and polyamide coating.
- 3.Slitting edge, customized width (10mm-1640mm)
- 4.Length 200mts or 400ts
- 5.Smooth and fine face
- 6.Double side for printing and easy to printing with variety color.

Printing:Letter printing,Rotary printing.

Model NO.:NT637

Product Name:Economical lackluster coated nylon taffeta label cloth/tape

Feature:

- 1.Cost effective label for printing.
- 2.nylon fabric and coating.
- 3.Slitting edge, customized width (10mm-1640mm)
- 4.Length 200mts or 400ts.
- 5.Smooth and fine face
- 6.Double side for printing and easy to printing with variety color.

Printing:Letter printing,Rotary printing.

Model No.:NT637A

Product Name: Non-fluorescence coated nylon taffeta label cloth/tape

Feature:

- 1.Non-fluorescence coating makes watch comfortable
- 2.Nylon fabric and coating.
- 3.Slitting edge, customized width (10mm-1640mm)
- 4.Length 200mts or 400ts.
- 5.Smooth and fine face .
- 6.Double side for printing and easy to printing with variety color.

Printing: Letter printing, Rotary printing.

Model No.:NT637B

Product Name: Coated barcode nylon taffeta label cloth/tape

Feature:

- 1.Nylon fabric and coating, smooth ,whitening and fine face .
- 2.Slitting edge, customized width (10mm-1640mm)
- 3.Length 200mts or 400ts.
- 4.Double side for barcode printing and easy to printing with variety color.

Printing : Thermal transfer printing, Letter press printing,Rotary printing.

Model No.:NT637C

Product Name: Slitting Sheet is antistatic coated nylon taffeta label cloth/tape for off set printing

Feature:

- 1.When slitting into sheet, pieces can be antistatic
- 2.Slitting edge,width customize(10mm-1640mm)
- 3.Length 200mts or 400ts.
- 4.Smooth and fine face .
- 5.Double side for printing and easy to printing with variety color.

Printing: Offset printing, Letter press printing, Rotary Printing.

Model No.:NT637BT

Product Name:Economical coated nylon taffeta label cloth/tape for thermal transfer with OEKO-TEX certification

Features:

- 1.This products have been approved by OEKO-TEX standard
- 2.Cost effective.
- 3.Slitting edge,width customize(10mm-1640mm)
- 4.Length 200mts or 400ts.
- 5.Smooth and fine face
- 6.Double side for printing and easy to printing with variety color.

Printing:Thermal transfer printing, Letter press printing,Rotary printing, Silk screen printing.

Model No.:NT668

Product Name:One direction (Weft) untearable coated nylon taffeta label cloth/tape

Feature:

- 1.Weft direction can't tear
- 2.Slitting edge,width customize(10mm-1640mm)
- 3.Length 200mts or 400ts.
- 4.Smooth and fine face .
- 5.Double side for printing and easy to printing with variety color.

Printing:Letter press printing, Rotary printing, Silk screen printing.

Model No.:NT669BF

Product Name: Anti-flame coated nylon taffeta label cloth/tape for thermal transfer printing

Feature:

1. Flame-retardant
- 2.Slitting edge,width customize(10mm-1640mm)
- 3.Length 200mts or 400ts.
- 4.Smooth and fine face .
- 5.Double side for printing and easy to printing with variety color.

Printing: Thermal transfer, Letter press printing, Rotary printing.

Model No.:DP661

Product Name: High quality coated nylon taffeta label cloth/tape for thermal transfer printing

Feature:

- 1.Filament is much fine
- 2.Smooth and fine face for barcode printing
- 3.Slitting edge,width customize(10mm-1640mm)
- 4.Length 200mts or 400ts
- 5.Double side for printing and easy to printing with variety color.

Printing: Thermal transfer printing, Letter press printing, Rotary printing, Silk screen printing.

Model No.:DP681

Product Name: High grade coated nylon taffeta label cloth/tape for thermal transfer printing

Feature:

- 1.Filament is fine and
- 2.Smooth and fine face for barcode printing
- 3.Slitting edge,width customize(10mm-1640mm)
- 4.Length 200mts or 400ts
- 5.Double side for printing and easy to printing with variety color.

Printing: Thermal transfer printing, Letter press printing, Rotary printing, Silk screen printing.

Model No.:DP661T

Product Name:High quality coated nylon taffeta label cloth/tape with OEKO-TEX

Feature:

- 1.This product have been approved by OEKO-TEX
- 2.Slitting edge,width customize(10mm-1640mm)
- 3.Length 200mts or 400ts
- 4.Double side for printing.

Printing:Thermal transfer printing, Letter press printing, Rotary printing, Silk screen printing.

Model No.:NT612

Product Name:Untearable coated nylon taffeta label cloth/tape

Feature:

- 1.Untearable nylon
- 2.Slitting edge,width customize(10mm-1640mm)
- 3.Length 200mts or 400ts
- 4.Smooth and fine face .
- 5.Double side for printing and easy to printing with variety color.

Printing:Letter press printing,Rotary printing, Silk screen printing, Hot stamp printing.

Model No.:NT620

Product Name:Glossy thick coated nylon taffeta label cloth/tape

Feature:

- Thickness is 0.19mm(common 0.14mm)
- 2.Slitting edge,width customize(10mm-1640mm)
- 3.Length 200mts or 400ts
- 4.Smooth and fine face .
- 5.Double side for printing and easy to printing with variety color.

Printing:Letter press printing, Rotary printing, Silk screen printing, Offset printing, Thermal transfer printing, Hot stamp printing.

Model No.:NT622

Product Name:Non-peel-off thick coated nylon taffeta label cloth/tape

Feature:

- 1.Thickness is 0.24mm(common 0.14mm)
- 2.Non-peel-off coating
- 3.Slitting edge,width customize(10mm-1640mm)
- 4.Length 200mts or 400ts
- 5.Smooth and fine face
- 6.Double side for printing and easy to printing with variety color.

Printing:Letter press printing, Rotary printing,Silk screen printing, Offset printing, Hot stamp printing.

Company profile:

Qingdao Huitong Garment Accessories Co., Ltd have three production bases , a fabric cutting mill and cooperate with a famous label printing machinery manufacture, so we can guarantee good quality products and adequate supplying source. By providing good quality products and excellent after sale service receive the good reputation among clients.

In the label series, polyester satin tape, coated nylon tape have the certification of OEKO-TEX; In label printing machinery, screen printing machinery series, Flexo printing series, accessorial machinery series have the CE certification.

Sincerely build win-win business relationship with you.
