

# CERTIFICATE

OF FACTORY PRODUCTION CONTROL  
ACCORDING TO DIN EN 10219-1:2006, APPENDIX ZA

Certificate-No.: 0090-CPR-0535

The certification body for construction products of the TÜV Thüringen e. V. confirms hereby in accordance with Regulation No. 305/2011 of the European Parliament and of the Council from 9. March 2011 (Construction Products Regulation – CPR) ) for definition of harmonized conditions to the commercialization of construction products and for the withdraw of the Directive 89/106/EEC of the council, that the by the company

”VEK” LLC

4 A, Dzerzhinsky street  
3200, Bendery,  
Moldova

Produced construction product

**Longitudinal HF-resistance welded hollow sections  
(Process 27 acc. to EN ISO 4063) from structural steels  
S235JRH according to Annex A of DIN EN 10219-1:2006.  
- Detailed record see page 2**

by the manufacturer has undergone an initial product test and in-plant production test by the manufacturer as well as additional tests of samples taken from the plant according to a set testing plan. The notified body - TÜV Thüringen e. V., certification body "Construction Products" - has carried out an initial inspection of the plant and as well the in-plant production test and is carrying out ongoing monitoring, assessment and recognition of in-plant production testing.

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the harmonized DIN EN 10219-1 under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above. It issued under the proviso that the standard, with which the harmonised standard is implemented in Germany, has been published in the Federal Gazette and the stipulations in the harmonised technical specification cited and the production conditions in the plant or the in-plant production test are not themselves substantively modified.
