

Classic

5.942 Rivestimento decorativo per esterno e interno

Classic crea un raffinato effetto estetico simile ad uno "stucco". Nobilita le superfici murali all'esterno ed è dotato di ottima resistenza agli agenti atmosferici e buona adesione al supporto. *Classic* viene applicato generalmente in almeno tre strati, con una resa indicativa 1-1,4 kg/m² a finire su intonaco civile e di 0,4-0,6 kg/m² a finire su superfici lisce. Attrezzi: frattazzo inox.

1632

Per saperne di più consultare la scheda tecnica e il DVD Applicazioni.
