

WOCA Maintenance Box

- for the maintenance of oiled wood surfaces

Preparing today for tomorrow

With Maintenance Oil

How to do...

Oiled floors should be regularly maintained - normally once a year, but more often when it comes to floors exposed to extremely hard wear.

- 1 Clean the floor with 125 ml Wood Cleaner mixed into 5 litre water. Leave the floor to dry for at least 8 hours. The floor must be completely dry.
- 2 Shake the container carefully. Spray a thin coat of Maintenance Oil onto 4 m² floor at the time.
- 3 It is important that the Maintenance Oil is carefully polished into the wood. Continue polishing until the wood appears saturated and the surface looks uniform.
- 4 Wipe the floor with clean, dry cotton cloths before proceeding with the next section of floor to be finished. The floor should not appear wet and there should not be any excess oil left on the surface after polishing. Continue in sections until the floor has been finished.

All in one box...

- everything you need to clean and to rejuvenate your oiled wooden floor

Maintenance Oil natural and white may be used for all oiled surfaces and is especially suitable for the regular maintenance of wood surfaces.

Natural Soap is a purpose-made quality soap, which due to its nourishing properties quickly closes the pores of the wood and protects against dirt and penetration of liquids.

Available in

The Maintenance Box is available in the colours natural and white.

Please notice!

Risk of self-ignition: Due to the risk of self-ignition it is important that oil wetted cloths are soaked in water and disposed of in a tightly closed container after use.

Regular cleaning

Natural Soap is ideal for the cleaning and maintenance of all oiled, waxed or soaped wood surfaces.

Natural Soap white is shaken carefully before use. 125 ml Natural Soap is mixed into 5 litre of lukewarm water. It is recommended always to work with 2 buckets: one with soap water and one with rinse water. Remove dirty soap water with hard wrung mop or cloth and rinse out in bucket with rinse water.

The box contains:

1 litre Maintenance Oil | 1 litre Wood Cleaner | 1 litre Natural Soap
1 pad | 1 cloth | 1 spray
