HP EliteBook 840 G3 Notebook PC

Thin, light, and ready to work

Impressively thin and light, the HP EliteBook 840 empowers users to create, connect, and collaborate, using enterprise-class performance technology that helps keep you productive in and out of the office.

- Windows 10 Pro¹
- Screen Size: 35,56 cm (14") diagonal

Portable powerhouse

Combine high performance technology and long battery life with Windows 10 Pro,¹ 6th Gen Intel[®]
 Core™ processors,² and a PCle Gen3 SSD³. Drive performance with up to 32 GB of DDR4 memory,³
 and dual storage options³ for your most demanding business applications and fast access to data.

Slim new design with all the right ports

 Connect to essential ports without the hassle of dongles. At just 18.9 mm, the ultraslim and light HP EliteBook 840 comes with VGA, Display Port, RJ-45, USB, USB-C™, and enterprise docking capabilities.

Security inside and out

HP helps protect you from malware and visual hacking. HP Sure Start with Dynamic Protection
protects against BIOS attacks, and the optional HP Sure View integrated privacy screen⁵ shields
your screen from prying eyes with the touch of a button.

Designed for collaboration

Replace your speaker phone with the HP EliteBook 840 with Audio by Bang & Olufsen plus HP
Noise Reduction Software that provides a rich collaboration experience for applications like Skype
for Business.³

Featuring

- Power through your day with Windows 10 Pro¹ and the powerful, sleek, thin, and light HP EliteBook 840.
- Instantly protect against visual hacking with the optional HP Sure View⁵ integrated privacy screen, featuring 3M privacy technology. At the touch of a button your screen appears dark to those around you while you see your content clearly.
- HP Sure Start with Dynamic Protection checks your BIOS every 15 minutes to detect attacks and corruption then self-heals the BIOS automatically.
- Enjoy a remarkable balance of comfort and feedback with the HP Premium Keyboard engineered for accuracy.
- Get the speed and space you need without having to use external storage. Dual drive support
 options quickly boot, wake, and run your system on a fast SSD³ and let you maintain access to your
 files with a high-capacity HDD.³
- Stand up to the workload with an EliteBook that passed MIL-STD 810G testing.⁴
- Experience the difference with HP Clear Sound AMP and the HP EliteBook 840 speakers.
- Suppress background noise including keyboard clicks with HP Noise Reduction Software.

HP EliteBook 840 G3 Notebook PC Specifications Table

Accessories and services (not included)

HP UltraSlim Docking Station

Designed exclusively for ultraslim HP EliteBook Notebook PCs, the HP UltraSlim Docking Station expands display, network, and device connectivity so you can be more productive throughout the day—all through a simple one-click slide-in side dock.

Product number: D9Y32AA

HP 65W Slim AC Adapter

Be productive with the HP Slim 65W Combo Adapter, which can power your HP Business Notebook or Ultrabook™. Be productive with the HP Slim 65W Adapter, which can power your HP Business Notebook or Ultrabook™.

Product number: H6Y82AA

HP USB-C Travel Dock

Ditch the dongles and say hello to the HP USB-C™ Travel Dock, designed to simplify your mobile connectivity when you're on the road. Ditch the dongles and say hello to the HP USB-C™ Travel Dock, designed to simplify your mobile connectivity when you're on the road. **Product number: T0K29AA**

HP CS03XL Rechargeable Battery

Stay on task and keep up your HP 700 and 800 series Notebook PCs up and running longer with the HP CS03XL Rechargeable Battery, which is designed to last up to three years 1 to help you maximize your investment and lower your total cost of ownership.

Product number: T7B32AA

HP 4 year Next Business Day Onsite Hardware Support for Notebooks HP 4 year Next Business Day Onsite Hardware Support for Notebooks

Receive 4 years of next business day onsite HW support from an HP-qualified technician for your computing device, if the issue cannot be solved remotely. **Product number: U7860E**

HP EliteBook 840 G3 Notebook PC

Messaging Footnotes

- 1 Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com
- 2 Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. 3 Sold separately or as an optional feature.
- 4 MIL STD 810G testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
- ⁵ HP Sure View integrated privacy screen is an optional feature that must be configured at purchase.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.microsoft.com.
- 4 Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ⁵ Some vPro[™] functionality, such as Intel[®] Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.

 ⁶ Maximum memory capacities assume Windows 64-bit operating systems. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
- ⁷ For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 8 and 10) is reserved for system recovery software 8 All wireless options are sold separately or as optional features.
- 9 For all 802.11 wireless, wireless access point and Internet service is required and is not included. Availability of public wireless access points limited. The specifications for the 802.11ac WLAN are draft specifications and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the notebook to communicate with other 802.11ac WLAN devices.

 10 WWAN is an optional feature and requires separately purchased service contract. Check with service provider for coverage and availability in your area. Connection speeds will vary due to location, environment, network conditions, and other
- factors. 4G LTE not available on all products, and in all regions.

 11 Miracast is a wireless technology your PC can use to project your screen to TVs, projectors, and streaming media players that also support Miracast. You can use Miracast to share what you're doing on your PC and present a slide show. For
- more information: http://windows.microsoft.com/en-us/windows-8/project-wireless-screen-miracast.

 12 Integrated Intel Wi-Di feature is available on select configurations preinstalled with Windows 7 or Windows 8.1 only and requires separately purchased projector, TV or computer monitor with an integrated or external Wi-Di receiver. External Wi-Di receivers connect to the projector, TV or computer monitor via a standard HDMI cable, also sold separately.
- 13 HD content required to view HD images.
 14 ePrint requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter) Requires optional broadband module. Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.

 15 HP Mobile Connect Pro is only available on preconfigured devices with WWAN. For geographic availability refer to www.hp.com/go/mobileconnect.
- 16 HP Client Security requires Windows.17 HP 3D DriveGuard requires Windows.
- 18 HP Support Assistant requires Windows
- 19 BIOSphere features may vary. Available only on business PCs with HP BIOS.
 20 This product ships with TPM 1.2 with option to upgrade to TPM 2.0. Upgrade utility is expected to be available by the second half of 2016 via HP Customer Support.
- ²¹ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen ²² HP Image Assistant is available download at: http://www.hp.com/go/clientmanagement.
- ²³ Available for China with touch only.
- 24 Windows 10/MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See www.bapco.com for additional details
- ²⁵ Sold separately or as an optional feature.
 ²⁶ Internet access required.
- ²⁷ Optimizes image quality under low light conditions and fixed focus lens.
