Our Production Facility and Capabilities:

Our motto is quality at a great price and therefore excellent value for our customers.

Our factory is located on an area of 70,000 m² and the production plant takes 11,000m² of the total area. Our products are made of beech wood and they are mainly chairs and tables.

We have a working experience of more than 50 years and with working experience comes knowledge of what customers like and want in a world of constant change.

We strongly specialize in the production of curved elements from beech wood. The following factors contribute to our production processes:

- ❖ Basic material – the highest quality of beech wood
- ❖ Saw-mill – cutting of the wood and make the board
- ❖ Drying of the boards
- ❖ Production of glued boards
- ❖ Production of elements
- ❖ Production of curved elements
- ❖ Scrapping elements
- ❖ Painting and lacquer
- ❖ Electrostatic painting
- ❖ Packing readymade products

Our main production programs are the following:

1. **Production of chairs:** dining room chairs, banquet chairs, bar stools, summer program – patio furniture
2. **Production of tables:** dining and patio
3. **Production of armchairs and small stools**

CHAIRS

We have over 150 models of chairs and the ones represented here are just a small part of what we can offer. We can also custom make any design according to customers' needs.
