New Styling, Two Tone, Cable Type, 40 litres / 55cm

Mains power and performance and plenty of both.
A well established Numatic favourite, now even better.

The big advantage of cable machines is the amazing power provided by mains operation, three times that of battery machines, and, due to the lack of costly batteries and 24V components, the machines are truly cost effective, almost two for the price of one.

- Full stainless steel chassis
- Deck tilt system making brush changes quick and simple
- 40 litre clean and dirty water heavy duty polyform tanks
- 55cm scrub width
- TwinFlo vacuum motor providing the exceptional wet pick up
