# HIGH-WALL AIR CARE

R410 Inverter Bio/HEPA Split Air Conditioners

9,000 - 18,000 BTU Capacity Models • R410 Refrigerant   • 3 Types of Filters

- Bio/HEPA filter
- Removable active carbon filter
- 2 Nylon filters
- Deluxe LCD wireless remote control
- Electronic display on evaporator
- 24-Hour on/off timer
- 3 Fan settings
- Sleep economy mode
- Automatic re-start
- Dehumidification
- Automatic swing louvers
- Safety lock for temperature controls
- Air ionizer
  Galvanized steel condenser cabinet
- Cool-only and cool/heat pump models
- Automatic frost protection
- Easy installation
