MODERN HARMONY OF SAFETY AND AESTHETICS

*Singura cale de trasa o granita sigura si estetica,
fara a pierde din libertate si spatiu...*

informatii firma

Firma noastra a inceput activitatea in anul 2010, din dorinta actionarilor de a oferi pietei, produse executate la un inalt standard al calitatii, ce ofera tuturor utilizatorilor, atat consumatorilor finali cat si distribuitorilor sau revanzatorilor, posibilitati neingradite in imbinarea sigurantei cu armonia, fara opturarea spatiului.

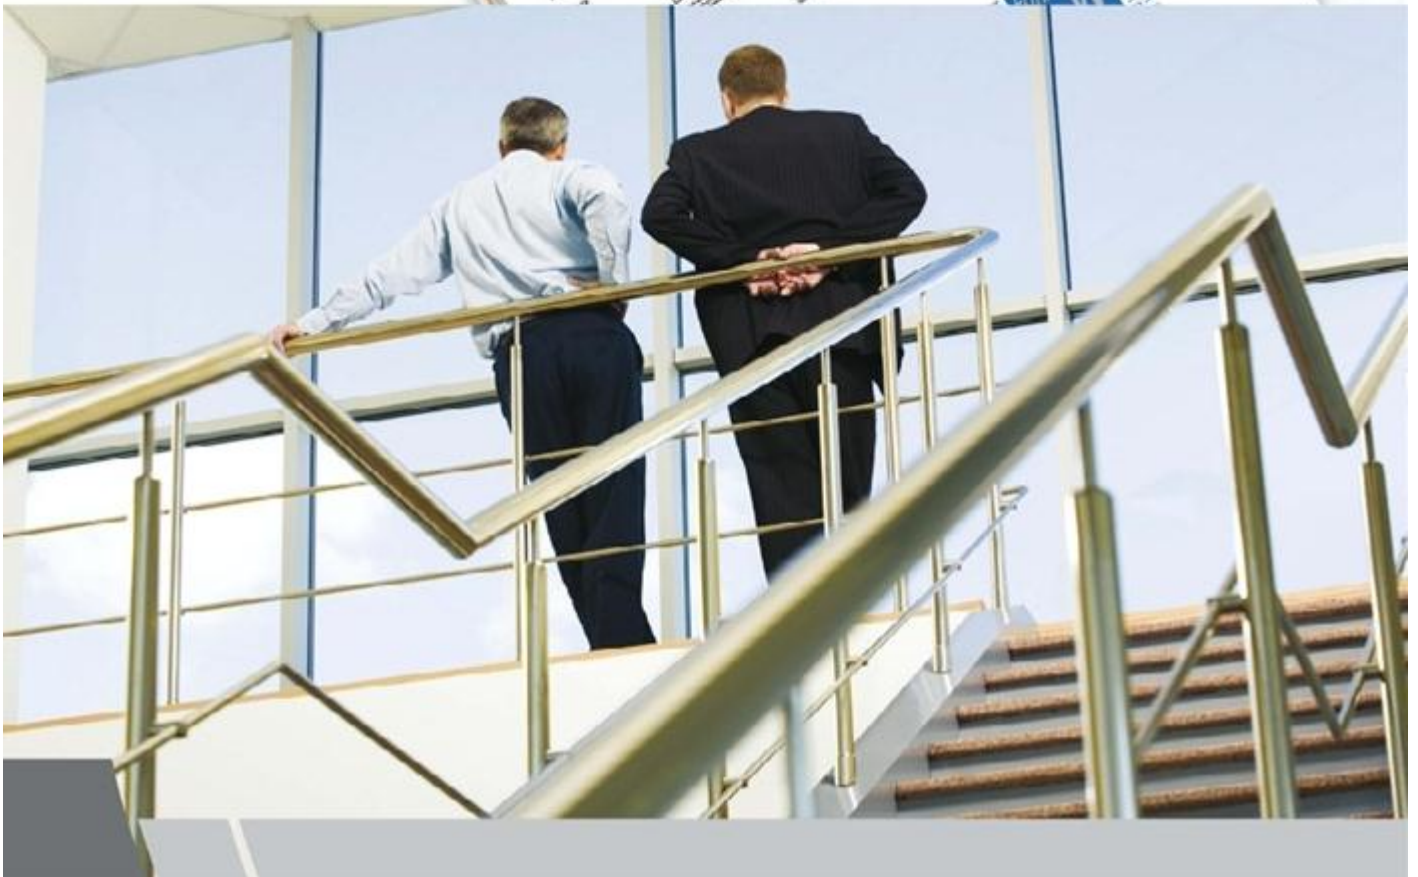

Schimbandu-si actionariatul in mai 2012, ALCONI Profil Concept, continua sa-si puna amprenta din ce in ce mai evident in piata furnizorilor si constructorilor de sisteme balustrade aluminiu eloxat, ajungand sa execute lucrari importante, atat pentru firme de renume din Bucuresti si din tara cat si pentru consumatori finali.

Odata cu schimbarea actionariatului, s-a schimbat si politica comerciala a firmei, dorinta noastra, incepand cu anul 2013, este sa acoperim toate zonele importante ale tarii prin parteneriate de lunga durata cu firme serioase, ce prin distributia produselor noastre, sa serveasca la cel mai inalt nivel al calitatii consumatorii finali carora se adreseaza.

Cu sistemul logistic reconstruit, cu o echipa formata din profesionisti cu experienta in domeniu, cu o politica de pret accesibila pentru toata gama de cumparatori si avand in spate un producator de renume mondial - prin intermediul caruia, poate oferi sisteme de balustrada aluminiu eloxat in toate variantele existente de elox (lucios sau mat), in toate variantele de culori (eloxat color) si in toate variantele de imitatie decor lemn (elox imitatie decor lemn) – ALCONI Profil Concept, este mai mult decat o firma, este un concept: BALUSTRADE!

filosofia calitatii

Filosofia Calitatii firmei noastre urmereste indeaproape linia trasata de producatorul nostru si are la baza tehnologia de ultima generatie, satisfactia clientilor, traning permanent, si o continua dezvoltare a produselor si serviciilor.
