monta film 220

Application

An allround clear packaging tape for sealing of boxes and cans, even those containing hygroscopic matter.

monta film 220 is particularly suitable for sealing of printed or coloured cartons, as the clear adhesive tape preserves the publicity appeal.

Properties

- high tensile strength and adhesion strength
- good transparency
- moisture resistant
- resistant to diluted acids and alkalies
- heat resistant for short exposure up to about + 70° C
- low temperature resistant down to about - 20° C after application at room temperature
- suitable for printing
