

Carti de vizita metalice AGA Media

Marcel

Carti de vizita metalice AGA Media. Cele mai inovative carti de vizita din Romania. Prima impresie conteaza. De aceea calitatea si designul cartii de vizita este importanta. O carte de vizita neinspirata nu este probabil sa fie pastrata sau amintita de catre un potential client sau colaborator. De aceea AGA Media are grija de imaginea ta, echipa noastra de managementul designului are grija ca dumneavoastra sa nu ratati nici un fel de oportunitate in dezvoltarea carierei si a propriei companii. AGA Media, noi facem diferenta !

A hand is holding a rectangular, brushed metal-looking business card. The word "alchemy" is written in a lowercase, brown serif font. The letter "y" has a small, decorative cluster of small circles above it. Below the name, there is a placeholder text area with icons for a person, a phone, and an envelope.
