

## MATERIAL SAFETY DATA SHEET

Product name : Garcinia Cambogia Powder 60% HCA  
(Calcium Potassium Magnesium Salt HCA)

### 1. Chemical product & company identification

Product name : Garcinia Cambogia Extract Powder  
Product code : GC3S  
Company name : Jimit Enterprise  
Company address : 24, Ajaramar Complex  
Alankar Cinema Road, Surendranagar  
363001. Gujarat India  
Company tel. No. : 91-987-941-9800

### 2. Composition/information on ingredients

Physical state : Free flowing Powder  
Common name : Garcinia Cambogia Extract Powder  
CAS - number : N.d.a.  
EC - number : N.d.a.  
EINECS - number : N.d.a.  
INCI : Garcinia Cambogia  
Synonyms : Calcium Potassium Magnesium Salt of  
HCA  
Impurities : Citric Acid

### 3. Hazard identification

Physical & chemical hazards : None  
Environmental hazards : None  
Adverse human health effects : None  
Specific hazards : None  
Main symptoms : None

### 4. First - aid measures

Symptoms and effects  
Inhalation : Irritation  
Skin contact : Mild irritation  
Eye contact : Irritation  
Ingestion : None. Edible product.

First aid  
Inhalation : Fresh air  
Skin contact : Wash with water.  
Eye contact : Rinse with plenty of water  
Ingestion : None

## 5. Fire fighting measures

Suitable extinguishing media	:	Water, CO <sub>2</sub>
Extinguishing media which must not be used	:	No known extinguishing media which must not be used.
Exposure hazards	:	No known exposure hazardous.
Special protective equipment for fire fighters	:	Regular fire fighting equipments.
Special fire fighting methods	:	Regular fire fighting methods.

## 6. Accidental release measures

Personal precautions	:	Natural product. No measures required.
Environmental precautions	:	Natural product.
Methods for cleaning up	:	Flush with soap and plenty of Water
Methods of recovery	:	No special recovery method.
Methods of neutralization	:	Not necessary
Methods for disposal	:	Landfill

## 7. Handling & storage

### Handling

Prevention of exposure	:	Safe product. No special precaution required.
Prevention of fire/explosion	:	Not explosive.
Precaution for safe handling	:	Regular precautions.
Safe handling advice	:	Good housekeeping practices

### Storage

Suitable storage media	:	HM - HDPE pail containers
Recommendations	:	Avoid high temperatures and long storage time. Keep container closed
Incompatible materials	:	No known incompatible material.

## 8. Exposure controls/ personal protection

Engineering measures	:	No engineering measure required.
<b>Specific control parameters</b>		
Limit values	:	N.d.a
Biological Standards	:	Safe
<b>Means for personal protection</b>		
Respiratory protection	:	Required when dusts are generated
Hand protection	:	None
Eye protection	:	Required
Skin and body protection	:	No specific requirement.
Hygiene measures	:	Regular Hygiene measures.

## 9. Physical and Chemical Properties

Physical state	:	Free flowing powder
Color	:	Cream to white
Odour and taste	:	Characteristic & chalky herbal
Optical rotation	:	Powder. Not applicable.
Acid value	:	70%
Explosive property	:	Not explosive.
Solubility in water	:	Fully soluble
Decomposition temperature	:	160 C
Vapour Pressure	:	Powder. No vapor formation.

## 10. Stability and reactivity

Conditions to avoid	:	High temperatures and high humidity
Materials to avoid	:	None
Hazardous decomposition products	:	No hazardous decomposition.

## 11. Toxicological information

Acute toxicity	:	Biochemically, haematologically and histopathologically non-toxic
Inhalation	:	Non toxic on inhalation. Irritation.
Ingestion	:	Edible Product.
Skin contact	:	Non toxic on skin contact.
Eye contact	:	Non toxic on eye contact. Irritable.
Chronic long term toxicity	:	Hydroxy Citric Acid and Garcinia Cambogia Extract can be considered as non-carcinogenic and practically non-toxic.

## 12. Ecological information

Mobility	:	Free
Solubility	:	Soluble in water
Persistence/ degradability	:	Bio-degradable
Bio-accumulation	:	None
Eco-toxicity	:	Insignificant toxic hazard

## 13. Disposal consideration

Water/ residue	:	Waste water treatment plant. Regular disposal after washing with water and detergent
Package	:	Disposal in compliance with official regulation

## 14. Transport information

IMCO (sea)	:	Considered as safe for transport.
ICAO/ IATA (air)	:	Considered as safe for transport.
RID/ ADR (land)	:	Considered as safe for transport.
U N - number	:	No data available.
Packaging group	:	Safe packaging.

## 15. Regulatory information

Specific international regulation	:	Complies with natural pharmaceutical regulations
Specific national regulation	:	None specific.
Labeling	:	As per bulk pharmaceutical standards.

## 16. Other information

The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. Users should make their own investigations to determine the suitability of the information for their particular purposes. In no event shall Jimit Enterprise be liable for any claims, losses, or damages of any third party or for lost profits or any special, indirect, incidental, consequential or exemplary damages, howsoever arising, even if Jimit Enterprise has been advised of the possibility of such damages.
